

SINGLE STOREY - BRONZE INCLUSIONS

TENDER CLARIFICATIONS

- This tender is based strictly in accordance with the following qualifications
- This tender is subject to the Clients and the Builder entering to an acceptable written contract. There is no contract until both parties sign Master Builders "Residential Building Contract" on terms acceptable to both parties
- This tender is subject to the Clients providing satisfactory evidence, satisfactory to the Builder, of their capacity to meet the financial commitments of the contract
- Commencement date for construction shall be within 60 days from the receipt of all approvals including all selections and completion shall be within 200 working days plus public holidays, plus a reasonable allowance for wet weather delays, plus Xmas shut down period from the commencement date. Five Rivers Constructions reserves the right to claim an extension of time for unforeseeable delays due to the unavailability of materials and or sub- contractors over and above the allowance noted above. Any changes to working plan during construction and each variation(standard variation fee \$99) will add minimum 8 working days to Total Constructions Period.
- No allowance has been made for possible additional costs arising from the following
 - Unforeseen or unusual conditions imposed by Local Authorities
 - Rock or other unsuitable soil conditions not apparent before the works commenced
 - Conditions made apparent by any authorised soil test carried out after the above date
 - Existing services on site e.g., sewer mains, water mains, stormwater lines etc.,
- House Pad Earthworks or Building Platform up to 500mm cross fall(Cut & Fill)
- Any furniture, appliances (refrigerators, freezers, washing machines microwaves etc.) or any other items shown on the drawings are illustrated for positioning purposes only and are not included in this tender price unless specifically noted in the attached 'Specification and Schedule of Finishes '
- No allowance has been made for the replacement of missing boundary pegs
- PC means Prime Cost Allowance (Purchase price only for the nominated item)
- PS means Provisional Sum (Labour & materials required to supply & Install nominated item)
- This quotation is valid for 60 days after which it is subject to rise and fall If you have any questions, please do not hesitate to contact Five Rivers Constructions.
- Floor plan and elevation as shown in this Tender are artist's impression only and don not form any part of the contract to build and are for illustration purposes only. Standard plans take precedence over any design or elevation. There designs are copyright to Five Rivers.
